Wathwood / Carers Pledge 2020

Wathwood Hospital recognise that Carers play a vital role in our patient care.

Carers are supporting every day and are sometimes forgotten. Wathwood is working hard to support carers and aim to make caring more visible. In 2020 we pledge to:

- *Help Carers recognise the need to look after their own wellbeing and offer support via our Carers Links and Social work team
- * Develop, produce and circulate up to date information for carers, friends and family
- *Ensure we gather feedback from Carers on how we have supported them as well as their loved one.
- *Involve Carers in Care planning and CPA's
